Sweet sex

y girlfriend Honey is really cool with me fucking other girls and recently she let me bring one home. It was a young girl from my office called Lisa who I regularly fuck.

I arranged a night for Lisa to come round and when she turned up on the doorstep Honey was dripping wet and said she wanted to see me fucking Lisa.

So we went upstairs to the bedroom, got undressed and I let Lisa get on top of me.

I looked over at Honey who

was already turned on by what she was seeing. She had her hand down her knickers and was clearly fiddling with her clit.

Then when I had been fucking Lisa for a while, Honey joined us. She squatted over my face and lowered herself down so I could taste her pussy.

Although I couldn't see a thing I knew Lisa and Honey were probably snogging. Their rhythm riding my cock and face was only made faster by

their frantic snogging of each other!

Eventually I made Honey cum with

my tongue. Then she climbed off me and told Lisa to get off so she could lick her cunt.

As my girlfriend buried her face between Lisa's leas I moved to the other end and slipped my cock in her mouth.

Honey's persistent tonguing caused Lisa to cum. She moaned and groaned - still with my cock in her

Minutes later I came too, spurting my load down Lisa's throat as she tried to calm herself from such a mind-blowing orgasm.

As I fell back on the bed, strands of my remaining cum dripped from Lisa's mouth. The pair of them snowballed the white cream in each other's mouths before Honey gulped the whole lot down.

Now Honey insists we invite Lisa round to ours at least once a week. I've certainly no objections! Rodney, Derby.

Secret slut

made contact with two lads who wrote to me after my last appearance in Escort (vol 28 no 13). Steve and Tony were both single and I invited them round to my place.

As soon as they were both there I turned and placed my hands on their bulging trousers. Tony leaned forward and undid my blouse letting my tits swing free. My big nipples were sticking out and Tony clamped his lips around the right one.

Steve had slid his hand up my skirt and was busily stroking my pussy lips before gently inserting a finger up my cunt.

My head was spinning and I had to pull away to prevent myself from cumming there and then. Catching my breath I suggested we'd be more comfortable in the bedroom.

Quickly stripping their clothes off, the boys had me naked in seconds. I got them to stand side by side and face me. I then squatted down in front of them.

Taking a cock in each hand I pulled Steve's cock into my mouth and started to suck his throbbing length while wanking Tony Then I switched to take Tony's cock deep in my mouth.

The mingling of my saliva and the boys' pre-cum soon had their cocks nicely lubricated as I continued to suck on one and then the other.

I was so turned on my cunt lips were splayed open and already dripping with my love juice. "Which one of

you horny bastards is going to fuck me first?" I asked.

Steve was fastest off the mark. Pulling me on to the bed on all fours he grabbed my ankles, spread my legs and drove his cock into me in one go

Tony knelt on the bed and, grabbing my hair, pulled my head back and fed his cock into my mouth.

The boys started to spitroast me good and proper, Steve repeatedly pulling his cock almost all the way out before slamming it back in while Tony alternated between dicking my mouth and smearing his well-sucked cock all over my face.

I heard Steve starting to cum and thrusting myself backwards I took his load right up my cunt

When Steve pulled out Tony moved round behind and fed his cock all the way up my cunt. It was bigger than any-thing I'd ever taken before.

Slowly he worked up his speed, stretching my cunt in all directions as reached round and played with my nipples.

My head was starting to spin as he relentlessly pounded me. Steve was wanking his cock back to life, teasing me with it just out of reach as I gagged to take it back into my mouth.

l could feel an orgasm building and I started to scream that I was cumming. Tony quickened his pace and

groaned as he fired his spunk up me

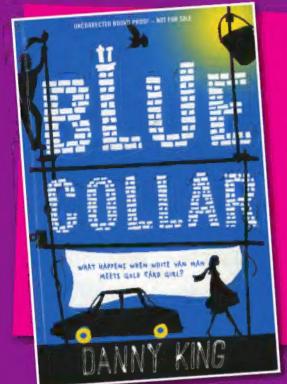

as he withdrew my love juices sprayed out all over the place. thing about it was my husband knew nothing about it! Nicki, Cheshire.

REHIND THE SCENES AT ESCORT

Ed's assistant Julia Jones has been neglecting her duties lately so that she could watch Wimbledon. We don't mind but we just wish she didn't wear her tennis skirt round the office – it's so distracting! Send Julia stuff at Escort, 2 Archer St, London W1D 7AW.

FROM CUFFS TO COLLARS!

Former burglar and old mucker of Escort Danny King has done away with penning novels about his past misdemeanours with his latest book Blue Collar. It's essentially chick-lit for blokes but with King's trademark common man perspective and humorous pub banter you won't go all gooey for reading it. At least we hope you won't. Published by Serpent's Tail, find it in all good books shops now.

Letters to

Dear Julia, While strolling to work the other day I noticed this fly poster in the street. Do you agree with what it says?

Mr Patel, Hounslow.

ulia says: Don't get me started on religion because I don't think there is a God. Having said that, if there was and he did put dirty magazines on the top shelf I don't think it was intended to inconvenience the vertically-challenged races of the world. It was probably more to do with him not having to bend down so far for his copy of Escort!

Dear Julia, Seeing lovely, slutty Anna in vol 29 no 4 brought memories flooding back of the only time

(so far) I've ever had the pleaure of fucking a true redhead. It was at a sex party last year where me and two other blokes filled all her holes with cock, pumping her with load after load of our hot spunk. I remember, amongst other things, the dirty lady in question having the tightest of little arseholes and the tastiest creamy cum. While

wanking furiously over Anna I imagine she'd be just the same. But maybe you know that already, eh, Julia? Swinger Steve, Halifax.

Julia says: I couldn't possibly comment - what goes on between Escort staff and models stays between Escort staff and models and all that, but you do have a point. From my experience redheads are a feisty bunch and they love anal!

MY FAVOURITE D

Man's best friend is a dog, but women keep it simple with a pet which doesn't need so much feeding, grooming and walking but still gets plenty of loving.

Dirty Delia recalls her best sex - with her hubby and a black man with a 14-inch cock!

Carrie.

Edinburgh "I got fucked by my boyfriend while his best mate watched - then joined in by fucking my tight

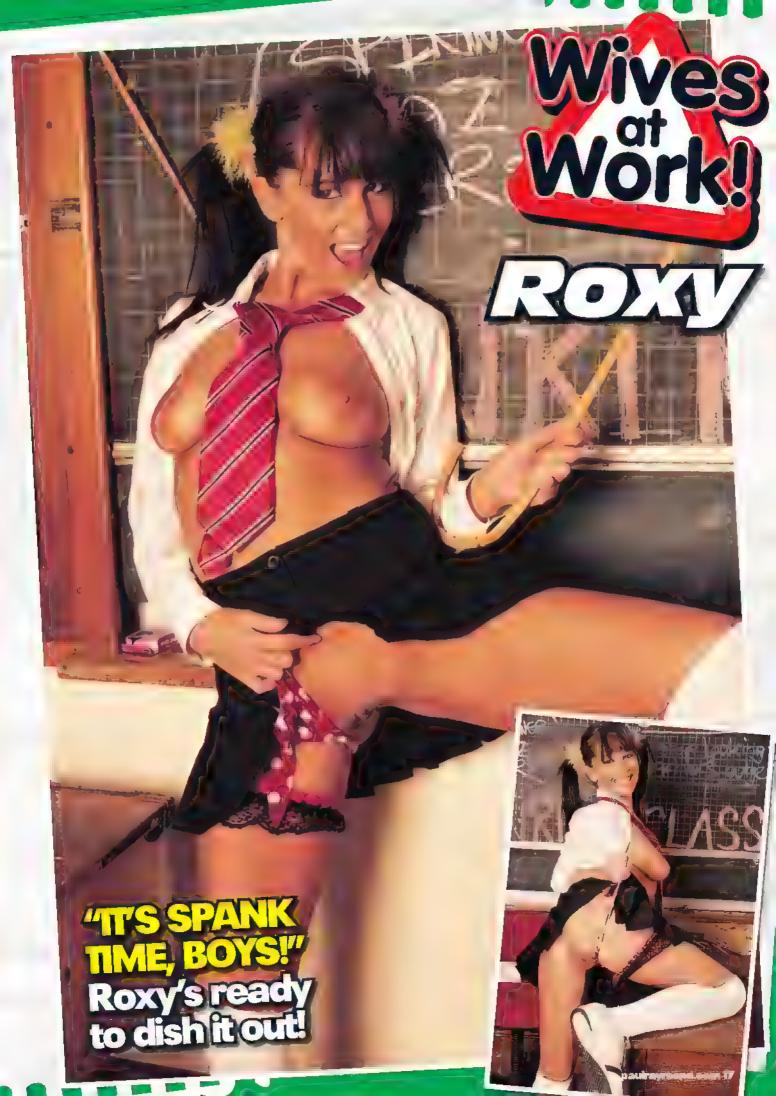

Newly-wed Wendy was keen to please her husband's friends with more than her cooking...

've only been married to my husband for a few months and I'm doing my best to fit in with his mates.

To really get to know them he suggested we throw a dinner party. I quite liked the idea, even though I'm no Delia Smith in the kitchen.

It was a Saturday night and two couples came round - Scott and Emma. then Kev and Jodie. I made them all a drink then returned to the kitchen.

Half an hour later it was ready so we all moved to the dining room. We'd all had a bit too much drink already and the conversation was getting quite blue.

Then I felt a foot rubbing up the inside of my leg. It was strange because I was sitting opposite Emma. When I looked at her she flashed me a knowing nod.

I quite liked the thrill of playing footsie with her and I started to roam her inner leg with my foot. I went all the way up her thigh until I got to her pussy to discover she wasn't wearing any knickers.

I began to prod her wet hole with my

e waso't wesieno

big toe and Emma slid down in her seat to accommodate me.

It was crazy that no one else at the table was aware that I was pleasuring Emma's cunt with my foot.

When the main course was done! cleared the table and took all the dirty plates to the kitchen. Guess who followed me in.

Emma came up behind me and put her hands round my waist.

"Nice footwork," she whispered in my ear. "But I bet you're even better with

your tongue."

With that she pinched my burn and returned to the dining room just as my husband Craig walked in and asked me how I was enjoying the evening.

Her tongue

I told him it was going well, despite my cooking, and then I squeezed his cock through his trousers. Funnily enough it was already hard.

When I went back to the dining room I couldn't believe what I saw. All four of our guests were naked and the girls were snogging each other while the

"Are you going to join in?" Emma asked. I looked at my husband and he

nodded in encouragement.
I undressed and joined the girls on the sofa. Emma spread my legs and went straight for my pussy. I had never had my pussy licked by another woman before but it felt great.

I pulled Emma's head closer as her tongue lapped around my cunt. Then took turns eating me out.

After a while the men got involved. Kev stuck his cock in my mouth, Scott put his in Jodie's twat while my husband started fucking Emma.

It was basically a free-for-all and the cocks were changing holes every few minutes. I got to taste Craig, Scott and Kev's dicks and both girls' pussy juices on them.

must tell you about my latest meet-up with Ann and Ben in Birmingham.

I called round in the evening. Ann was sat on the sofa with a low-cut dress showing off her tits. She also had fishnet stockings and knee-high boots on.

We kissed and groped a bit. She wasn't wearing any panties. I began to lap on her pussy until Ann suggested that we go upstairs.

This is where Ben was setting up the video equipment, which got me excited because we were obviously going to make a porn movie again.

Ben and I stripped off and got hold of our cocks and began wanking and sucking us off.

fucked her for all I was worth.

I withdrew and took Ann doggy fashion. This was soon all too much for me and I came right up her.

As I pulled away my spunk was running down her stocking-clad thighs. Ben then fucked her in a number of positions while I recovered.

We then watched back the last porno film we had made together. I had not seen it yet but when I did it got my cock stiffer than ever.

We fooled around for a while, Ann readily taking our cocks in her mouth. I even got my cock between her huge tits while she carried on sucking.

Meanwhile Ben was fucking Ann from

OUR COCKS SUCKED

We opened Ann's legs between us and began to finger her together. She seemed to enjoy this and her fanny was soaking wet

Ben handed me a huge dildo, which I rammed right up Ann. She begged me to stop as this was becoming too much.

We took turns having our cocks sucked. We also worked on her huge boobs and sucked on one each while playing with her pussy.

Ben wanted some low shots of me pumping in Ann's pussy, As I thrust into her I grabbed the heel of each boot and behind as she sucked on my dick. The dirty bitch could feel me twitching so in her sluttish way she just sucked harder and deeper.

I came very hard. Ann then dribbled the spunk on to my chest and turned to one of the cameras. I have seen a still of this and I cannot believe the amount of cum I shot considering it was the second time.

Spent, I moved out of the way and watched Ben give it to Ann hard and fast.

So guys, what are you waiting for? Get writing to Ann! Ron, London.

RIGHT SILL SILL SILL WENDY'S STORY CONTINUED FROM Page 21

It soon became apparent that I was the centre of attention as I had Emma and Scott licking out my pussy while I was sharing Kev's dick with Jodie.

I wondered where my husband was in all this mayhem until I saw him aiming a video camera at the action.

Realising I was suddenly a porn star I started playing up to the camera. I took Kev's dick all the way to the back of my throat, only allowing his missus to suck on his balls.

Meanwhile Scott started fucking me, pulling his cock out every so often so that Emma could suck it or lick my pussy.

Craig obviously wanted back in on the fun because he gave Scott the video camera and took to fucking me.

I'm proud to say Craig's cock was the largest of them all and when he fucked me I couldn't help but orgasm. As soon as I had cum both the girls were down between my legs lapping up my love juices.

Then they turned to each other and pro-

ceeded to swap my cum between their mouths until most of it was gone.

This really turned the fellas on and they all stood in a circle round us girls wanking themselves off.

What followed was a cock-sucking carousel, I took Kev's prick in my mouth and sucked him off while Emma did the same to Craig and Jodie to Scott.

We kept changing places until my

od alboom viol

husband was the first to burst, He announced he was cumming so we all abandoned the two other pricks and waited with open mouths for Craig to spray his load.

After some frantic wanking Craig's cock exploded and squirted a long torrent of sticky muck over the three of us.

I caught loads in my mouth but before I had a chance to swallow it Emma and

Jodie insisted I swap it with

I spat it all into Emma's mouth and then she passed it to Jodie via a messy snog. Loads of it ran out of her mouth so I joined in and licked her chin clean.

My mouth was so full of cum and the other girls' saliva I couldn't help but gulp half of it down.

It didn't matter though because Scott was next to cum. The spunk fired out of his cock and missed our mouths completely. In fact my hair was the main recipient.

Kevin came last but he wasn't stupid. He shoved his cock right in my mouth just as he was cumming and flooded my throat with his warm muck.

Once again the girls begged me to share it with them so

I let some dribble out and in a flash Jodie and Emma were lapping it up.

Despite having three men cum in or over me there wasn't a drop left by the time the girls had finished with me. Come to think of it there wasn't any of the home-made lasagne left either so the evening had been success on all

Our guests eventually left and I told Craig I'd do the washing up in the morning - I wanted to get his cock inside me again.

After fucking me ragged he told me to get used to such debauchery as we had been invited round Kev and Jodie's next weekend. And apparently Kev's a great chef!

The barman had to change the barrel so while I was waiting for my drink I kept looking at the cock and eventually the man caught me. All he did was turn to face me so I could get a better look.

By this time my pussy was dripping wet and I was feeling really horny. Then the guy

Filthy beach

y husband and I were on holiday and we had been on the nudist beach every day.

At first I kept my bikini bottoms on but after a couple of days I started to enjoy being naked. I have my pussy shaved so laying there with other men being able to see it was making me feel horny.

Some days I couldn't wait to get back to the apartment for a shag.

After we'd fucked I'd lay on the bed wanking myself off, thinking about the men looking at my bald pussy.

On the fourth day of our holiday we went to the beach again. After a while I went off to the bar to get a drink.

As I got there I noticed a man sat on one of the bar

stools. He was naked and I could see his penis was the same length as my husband's – but the head was much bigger.

finished his beer and looked down at the bar at me and pointed at my legs.

Seeing there wasn't anybody else about I opened my legs to show him my bald

gaping pussy.

When the barman came back with my drink the guy had disappeared. As I went back to my husband my head was spinning. I took off my clothes and lay down next to him.

Later on we went for a swim in the sea and I told him

Cherry pop

Since I appeared in Escort I have been spoilt for choice when it came to men writing to me wanting to fuck me.

After much consideration

my hubby Jim and I decided that the 28-year-old virgin from Durham was the one I could have most fun with.

I agreed to meet up and have some fun on a weekend when his team Newcastle were down on the coast play-

ing Portsmouth.

Jim picked him up from the airport and as he drove him back towards our house Jim explained vaguely about what was going to happen.

When I met
Dennis at the
front door I told
him he was in
for a wonderful
time as long as
he did exactly
what I wanted.
When he
agreed I asked
him to put on
a blindfold and
then led him
upstairs to the
main bedroom.

As Jim quietly set up the video camera by the

door, I made Dennis stand by the bed, still blindfolded and slowly started to take his clothes off.

I knelt in front of Dennis and looked at Jim who nodded his approval as I lowered my mouth onto Dennis's cock and gave him a gentle suck. Then I cupped his balls and licked them.

He was groaning and begged me to stop as he thought he was about to cum. I stopped and got him to lie on the bed. I got on to the bed and knelt over his chest and then shuffled forward so that my pussy was only a few centimetres from his face.

He began to bury his face in my cunt. I could soon feel my orgasm starting to grow and told him to lick harder as I was about to cum.

I jammed down on him, soaking his face with my own juices.

When he was hard again I allowed him a few more min-

off under the water

When we went back to the beach I saw the bloke from the bar laying opposite us and told my husband.

After a couple of minutes my hubby's hand started to play with my clit as I looked across at the stranger. I saw he was wanking himself off while watching us.

This turned me on even ming when the stranger spurted his seed all over the sand. This pushed me right over

hubby put his mouth over my pussy and I came on his

When we went back to the apartment we decided that if we saw the stranger again we'd invite him back to ours so I could be fucked by two blokes at once. Sadly we had a great holiday. Alison, Doncaster.

cock inside me so I moved

forward and rubbed it against my pussy lips. With my wet cunt directly above his hard cock I asked him if he was ready to lose his virginity and he said: "You bet!"

I rode him hard and as I looked across the room I could see Jim stroking his cock as he watched me fuck my virgin,

I came again very quickly followed seconds later by Dennis, who almost growled as he shot his spunk deep inside my wet cunt.

wife Julie is always after cock. She loves getting spunk in her face, tits, arse and cunt. That goes someway to explain why she never wears pants and always has a short skirt on for easy access.

When we were on holiday recently she displayed her great love of cocks in one evening. We were going from bar to bar and she was trying it on with as many fellas as she could while I watched from a distance.

I could see her rubbing blokes' cocks through their trousers.

Occasionally she'd take one to a secluded corner or to the bar toilets and really go to work on them.

I can't explain the thrill I get from watching her suck off other blokes. That night I saw her give head to five different guys and I watched with glee as each one of them splashed their spunk over her face or down her throat.

A couple of guys didn't

even get the chance for a blowy. Julie was wanking them off and they came over her tits before she could suck them off.

> However, the best sight that night was seeing her getting fucked. She got shagged three times, each time by different blokes. One of them lasted for ages and Julie must have cum several times before he did.

At the end of the night she told me what a wild time she'd had and I agreed

I loved watching her be such a slut and finished off the evening by letting her suck me off.

The next day she was filled with so much spunk there was still remains of it seeping out of her cunt in the afternoon! Mike. Manchester.
